Information for Visitors

Access to our factory will only be via the Visitor Gate at Ruhrorter Straße (navigation-system: 45478 Mülheim | Ruhr, Ruhrorter Straße 47).

Please use the speaker system at the gate connecting you with our guard who will open the gate, provided that your visit was announced by a SIEBTECHNIK TEMA employee.

Otherwise the guard has to verify your visit with the person you intend to visit first.

Please use the assigned parking space and meet the SIEBTECHNIK employee in our new lobby, entrance n° 6.

Exception: Visitors of the Department for Screening and Processing Machines should use parking lot 5 and will be picked up there at entrance n° 5 (see site map).

Visiting the Workshop

- ◆ No entrance without wearing safety shoes (safety shoes are at your disposal)
- ◆ Never without company of a SIEBTECHNIK TEMA employee.

Moving on your own in our workshop and office area is not desired not only due to our safety regulations.

To exit our factory use the gate next to P5.

Information for Suppliers and Forwarders

Access to our factory will only be via the gate at Weseler Straße (navigation-system: 45478 Mülheim | Ruhr, Weseler Straße 121). To exit use the gate between our halls n° 1 and n° 2.

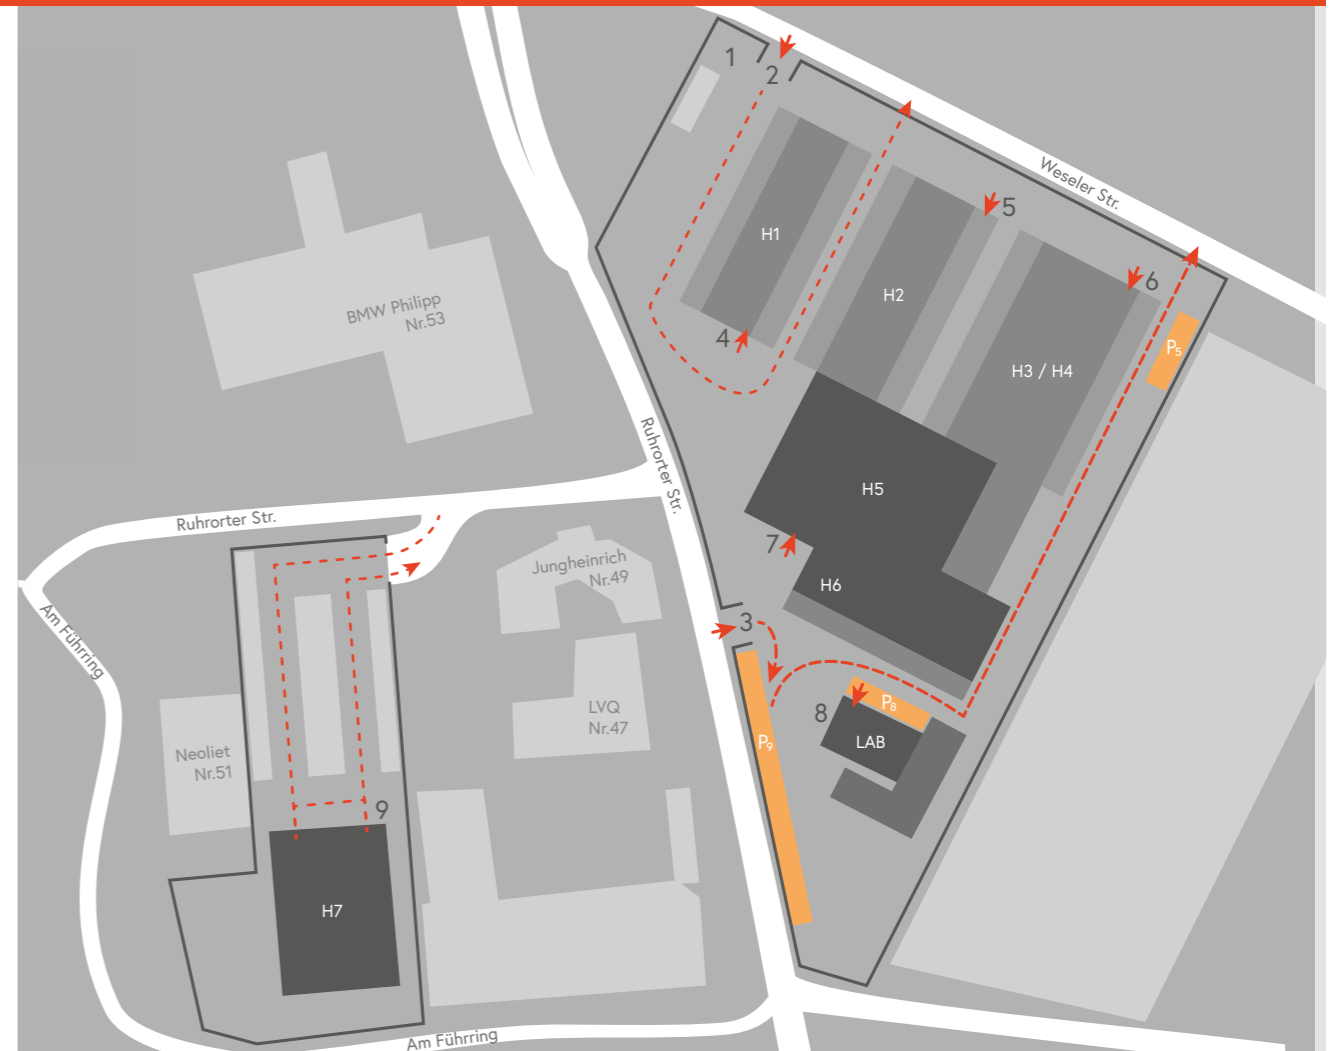

For your orientation please refer to the site map.
